The Wonderful Biggi of Facial and Body Works, 704-948-6633 will be our host for our Sacred Women's Circle in May. She has donated her time and expertise with us since the beginning of Community Yoga's conception, 2004.

Her hope is to take the mystery out of cosmetic care, home care and any other related question for us face book friends. So let's work together and share our skin care knowledge and experience.
